SYNTHETIC - FICTIONAL FUND CREATED FOR TESTING. NOT A REAL INVESTMENT PRODUCT.

Northwind Growth Partners III, L.P. - Due Diligence Questionnaire Response

1. Fund Overview

Northwind Growth Partners III is a growth equity fund that makes minority and majority investments in software businesses in North America. The reporting currency of the Fund is US dollars (USD). The Investment Period ends on the fifth anniversary of the Final Closing.

Table 1: Key Fund Terms

Term	Detail
Target fund size	USD 500,000,000
Hard cap	USD 650,000,000
Minimum LP commitment	USD 5,000,000
GP commitment	2% of total commitments
Fund term	10 years plus two 1-year extensions

2. Fees and Expenses

The management fee steps down after the Investment Period, as set out in Table 2. Transaction and monitoring fees received by the Manager are offset 100% against the management fee.

Table 2: Fee Terms

Fee category	Rate	Basis	Frequency
Management fee (Investment Period)[1]	2.0%	Committed capital	Quarterly in advance
Management fee (post-Investment Period)	1.5%	Net invested capital	Quarterly in advance
Carried interest	20%	Profits above 8% preferred return	On realisation
Organisational expenses cap	USD 1,500,000	Fixed amount	One-off

[1] Investors committing USD 50,000,000 or more receive a 0.25% reduction in the management fee rate during the Investment Period.

3. Track Record
